

5 % B A C K T O Y O U

At Dancer Concrete Design, we honor God in all that we do and we strive to support others within our community who share the same values.

We enjoy supporting organizations that inspire us. If your organization decides to work with us, we would like to help support your purpose. To do this, we offer two different options. The first option is the 5% Back To You. This program offers a 5% cash-back bonus to your not-for-profit organization that encourages others to put their hope and faith in God. The second option that we offer to make it easier to work together is 12-month financing with approved credit application.

HOW IT WORKS

- At the beginning of your project, please inform your project manager of which option you would like to select.
- If the 5% Back To You option is selected, after your project is complete and the final invoice is paid, we will process a payment back to you for 5% of the total invoice amount.
- This payment will be made to the organization that paid the invoice. If you would like us to make the check payable to a different fund or campaign, please let us know.
- If the 12-month financing option is selected, our office manager will send over the proper application.

Dancer Concrete Design is a company that believes in serving our clients, as well as a higher purpose. We would be honored to serve you throughout this project and beyond.
